

THE VISION

The Vision is an iconic, cutting edge residential tower with spectacular ocean views in Pattaya's most exclusive suburb, Pratumnak Hill. The Vision will be the city's highest building and with an award winning developer behind the project and serious luxury on every level, this is the region's "stand out" investment of 2011.

The Vision is by far Pattaya's most prestigious development and yet the first round earlybird pricing is extremely competitive with properties available from a 1,290,000 Thb / £26k Gbps / \$43k Usd in interest free payments over 30 months

The Vision will be fully managed and rental returns are conservatively forecast at 14% net

The Vision has fabulous facilities on the 20th floor including a rooftop pool with lounge terrace, a fine dining restaurant and a state of the art fitness suite – all with amazing ocean views

The Vision properties come fully furnished with a high spec, chic fit out - there are studios, one and two bedroom apartments and penthouses

The Vision is just 800 metres from the beautiful shores of Pratumnak Beach and close to sophisticated bars, fine dining restaurants and resorts including the 5 star Sheraton Pattaya

The Vision interiors will be nothing short of pure luxury and the design incorporates floor to ceiling glass to maximise the panoramic sea views.
